

CREATE

Communities as Resources in Early Childhood Teacher Education

New Roles & Relationships in Preparing Early Childhood Educators

Diana Hill, Donna Jurich & Rebecca Zapien

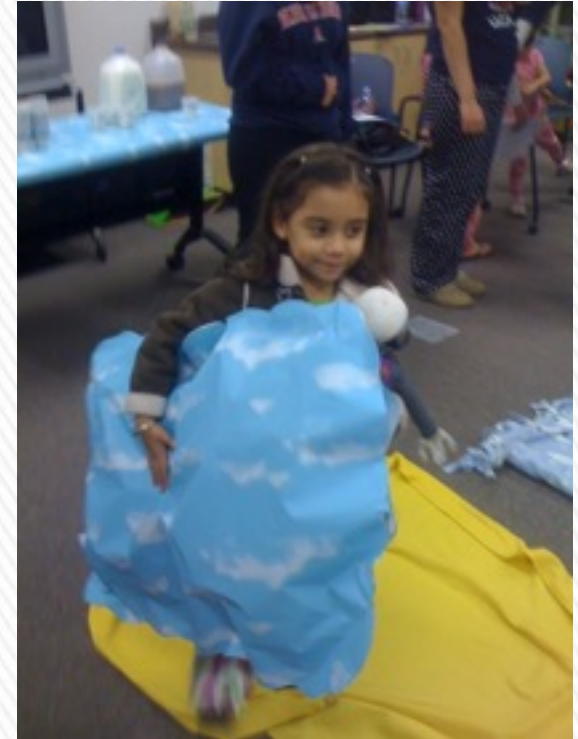

College
of
Education

CREATE Principles

- » Principle 1: Valuing the funds of knowledge within diverse cultural communities.
- » Principle 2: Encouraging story as a meaning-making process to understand self and world.
- » Principle 3: Celebrating the significance of family literacies in literacy learning.
- » Principle 4: Providing professional learning opportunities for educators across community, school, and university settings.
